Director's News

Hello Parents and Families! I hope that everyone is off to a great year. Here at Jamison Street Preschool, there are so much that are happening.

We have several programs that were started in January and we hope that you are finding it to your advantage. It will take some time but we have gotten great reviews in how much it is easy to access.

1. Newsletter is now available on our Website:
jamisonstreetpreschool.com

This is a great tool for out of town relatives to view what we do and for you to use when you need it most.

2. School Age Alumni Club has started and we will meet once a month.

This is when school age children can visit with their "old" friends and do activities while having a light meal. This is also available for younger children that are currently enrolled as well. There is a small charge.

Our First Ever Alumni Night held in January, we had 14 past and present children attend and fun was had by all. See Page 2 for future meetings. For more information or questions, call the center.

3. We are also starting our Spring Catalog Sale for fundraising. You can view and order online by going to: www.thefundfactory.com and the code that you would use would be: **JAMI12** Deadline is February 20th
4. If you want \$50.00 off of your tuition, you can implement our referral program where if you refer a child here and they enroll, you can receive the money off of your tuition.

We are coming up on our 6th anniversary of Jamison Street Preschool opening on February 6th. I am excited to see what is to come in the future. If you have any questions or concerns, please see me. Thanks.

- Ms. Peggy, Director

“A Smile is the Shortest Distance Between Two People.”

We had our “First Ever” Alumni Night on Friday, January 20th and we had 14 kids from past that have graduated to present that are still enrolled here at Jamison Street Preschool.

A Big Thanks to Our Hosts:
Ms. Beth and Ms. Kaitlynn

Our Future Monthly “Alumni Night” dates are –

February Meeting:
Friday, March 2, 2012
5:30 p.m. – 8:30 p.m.

March Meeting:
Friday, March 23, 2012
5:30 p.m. – 8:30 p.m.

One Year Old News

Teacher: Ms. Beth

Hello Parents, The children really enjoyed playing with the cotton balls and watching the Insta-snow powder expand to snow. Our upcoming month, our Unit of Study is “Caring and Sharing” and the color is Pink. Some of the activities we will be doing this month are:

1. **Science** - Due to the children having interests in blowing bubbles, we are going to make our very own bubble solution.

2. **Cognitive** - Roly-Poly Book. Get a round container and glue pictures of things on the container then cover with clear contact paper. Roll the container pointing to different pictures and talk about them.

I am sure your child will learn something from these activities and enjoy them. We also have a birthday this month, Roman...Happy Birthday!

Two Year Old News

Teacher: Ms. Nicole

January has come and gone. We learned so much from making snow and snowmen to how we can dress warm with our jackets and mittens.

In February, we are going to learn about caring and sharing. Our color for the month is Pink and our shape is heart.

We are going to be talking about Groundhog Day whether he is going to see his shadow or not and the

importance’s of President’s Day. We are getting excited as we approach to another fun month.

Our Valentine Party is Tues, Feb 14th. There will be a sign up sheet posted on their clipboard for the party accessories that will be needed. Also a list of children’s names will be sent home for Valentine’s cards. I appreciate all of your much needed help. A Big Happy Birthday to Caleb!

Pre-3 Year Old News

Teacher: Ms. Vicki

Theme: Caring/Sharing; **Color:** Pink; **Shape:** Heart; **Letters:** P, Q, R

This month, we will be talking about love and how we show people we love them. How does it make us feel?

We will also talk about President’s Day - the name of our President and what his job consist of.

The children have been working on skills needed for writing. They are tracing patterns and their names at the light table and some are writing their

name without tracing. Please encourage them to practice writing at home. Also, any help with using scissors is much appreciated.

Our class is having a Valentine’s Day Party on Tuesday, February 14th. Your child may bring a Valentine for each child. We have 10 children in our class. The children will pass out their valentine’s at line time. I will put out a sign up sheet to bring party needs. Thank you for all your support.

VPK News

Teacher: Ms. Tina

February is going to be exciting. First, we will have lessons & activities on George Washington & Abe Lincoln. We will learn about why they were important to our Country.

Groundhog Day is February 2nd and we will read stories and newspaper articles. How can he predict the weather?

Next, we will prepare for our Valentine’s Day celebration on Tuesday,

February 14th. I will provide the children with construction paper and a list of students. Homework will be to make cards for the other children. I will bring in cookies and juice.

Last, we will be adding a “spelling test” each week. A list of words will be sent home on Monday and parents can help study each night. Don’t panic - there will only be 3 or 4 simple words. Thanks for all your help.
